PRAYER

Upon invitation of Speaker pro Tempore Aguiar, the following prayer was offered by Rev. Constantine C. Pappademos, Pastor of Saint Katherine Greek Orthodox Church:

Western Christians yesterday, celebrated the greatest of Christian feasts, Easter. Eastern Orthodox Christians, celebrate the Resurrection of Christ this coming Sunday. This morning, in honor of this great Christian holiday, let us pray:

Having beheld the Resurrection of Christ, let us worship the holy Lord Jesus, the only sinless One. We venerate Your Cross, O Christ; and Your Holy Resurrection we praise and glorify; for You are our God; we know no other; it is Your name we invoke. Come, all you faithful, let us worship Christ's Holy Resurrection, for behold, through the Cross, joy has come to all the world. Ever blessing the Lord, let us praise His Resurrection. For in enduring the Cross for us, He destroyed death by death.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Aguiar, Assembly Member Migden then led the Assembly in the pledge of allegiance to the Flag.

California State Auditor

March 27, 1996

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (department) administration of the California Medical Assistance Program (Medi-Cal) supplemental drug rebate program (program). This report concludes that the department has not collected approximately \$40 million in rebates related to the 1994 legislation amending the State's supplemental program. Because it has not adequately administered this program, these amounts are owed to Medi-Cal by drug manufacturers under contract with the State. Furthermore, the department cannot clearly demonstrate that it conducts reviews of drugs to modify the Medi-Cal List of Contract Drugs in accordance with state law. In addition, the 1994 legislation has not significantly reduced the availability of drugs to Medi-Cal

recipients. Finally, the annual costs of approximately \$5 million to administer the program are far exceeded by potential program revenue of approximately \$70 million.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Health.

Members of the Assembly: As required by Chapter 518, Statutes of 1995, the Bureau of State Audits presents its audit report concerning Los Angeles County's fiscal condition. This report concludes that to balance its fiscal year 1995-96 budget by year-end, the county needs federal approval of a \$346 million health relief package, and departments must meet a 20 percent reduction in net county cost. Future budgets will also be difficult to achieve because the county will need additional funding to implement the Three Strikes law, repair county-owned buildings damaged in the Northridge earthquake, and implement state and federal welfare reform.

Respectfully submitted,

KURT R. SJOBERG

Above report referred to the Committee on Budget.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the progress of the Department of Insurance (department) to improve the management practices of its Conservation and Liquidation Office (CLO). Specifically, we performed a follow-up review of our May 1994 audit of the department's conservation and liquidation operations concerning management of conserved insurers, personnel practices, contracting, allocation of costs to conserved companies, disposition of assets, and claims processing. This report concludes that although the CLO has developed a strategy and management plans for the conservation and liquidation of conserved insurers, it has achieved limited success in distributing the assets of liquidated insurers and closing their

estates. We noted certain events that may have prevented the CLO from closing more estates than it did. As a result, we could not determine whether its strategy and management plans have been effective in maximizing the assets of conserved and liquidated insurers. In addition, the CLO has not fully implemented its policies and procedures for conservation and liquidation activities. For example, the CLO has not adequately monitored its budgets, or frequently updated its plans for closing estates. We also noted the CLO's ability to identify and pay claims is impeded by incomplete records and claims which are not readily proven by claimants and allowed by the courts.

Although the CLO has made significant strides to develop its administrative practices, further improvement is needed. For example, it does not always follow its policies and procedures for hiring employees and managing consulting contracts. In addition, the CLO has not established guidelines for borrowing from its investment pool to fund the costs of administering no-asset estates.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Insurance.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of audits and evaluations conducted by other entities on the operations of Metropolitan Water District of Southern California. This report concludes that Metropolitan Water District of Southern California has adequately addressed the recommendations contained in these audits and evaluations of its operations. Further, we did not identify other issues meriting review at this time.

Battin Floor Statement

Mr. Speaker and Members of the Assembly—It is with great pleasure that I introduce the Native American guests joining us today for Native American Indian Week. Elected leaders of the many tribal governments of California are represented here today.

I also want to introduce the Hoopa Valley Indian Reservation dancers and their tribal Chairman, Dale Risling, who will be performing for us this morning.

In my district and throughout California, tribal governments have demonstrated a long tradition of promoting responsible self government, preserving their heritage and working to make their tribal communities and our state a better, more prosperous place to live

Tribal governments have fought hard to build responsible businesses, and to use their economic successes to improve life on their tribal lands and in surrounding communities.

Tribal government's economies are contributing hundreds of millions of dollars in jobs, goods and services to California's economy. And tribal governments are working to eliminate welfare on their reservations, fund desperately needed public services, and support worthy local causes.

And with their economic success, tribal governments have not lost their strong sense of community. If anything, their economic success is empowering them to become even stronger, more dedicated members of the communities in which they live.

My children attend day care at the Cabazon Indian reservation near Indio—a program that is known to be one of the best in my community.

The Sycuan government in San Diego is providing health care to tribal members and residents of the surrounding community—and using reservation income to underwrite the costs of those services by 75 percent.

The Viejas reservation is expanding fire protection to become the first line of defense for non-tribal residents in nearby communities.

Also in San Diego, the Barona tribal government made a significant multi-million dollar contribution to Children's Hospital in San Diego.

The Rumsey Rancheria in Yolo County has signed a cooperative agreement with the County Sheriff to finance two additional law enforcement positions to patrol the entire Capay Valley, and purchased a patrol car as well.

And the Hoopa reservation reached a similar agreement with Humboldt County to fund desperately needed law enforcement.

These are but a few examples of the kind of good work, community spirit and real leadership tribal governments are demonstrating throughout California today.

Native Americans have a proud history—and with their business success and dedication to community service—they are sure to have a proud future.

I'm proud to introduce leaders from some of California's tribal governments today. Please join me in giving them a hearty welcome. And please join me in the Speakers' Conference Room for a reception to meet with the tribal leaders.

(NOTE: Later this day, Assembly Member Battin was granted unanimous consent that the above Floor statement be printed in the Journal. See page 5590.)

Assembly Member Battin then presented a resolution to Danny Tucker, who represents the entire association of gaming tribes of California in recognition of the week of April 8, 1996 as Native American Indian Week in California, whereupon he addressed the assemblage.

Assembly Member Battin then introduced the Hoopa Youth Dancers of Humboldt County, directed by Mr. Dean Davis; Head Singer, Mr. Anthony Risling, Sr., Elder of the Hoopa Valley Tribe, whereupon they performed for the Members of the Assembly.

REASSEMBLED

At 11:58 a.m., the Assembly reconvened.

Hon. Fred Aguiar, Speaker pro Tempore of the Assembly, presiding.

California State Auditor

95106
April 9, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Prison Industry Authority (PIA). This report

was prepared under contract by Ernst & Young LLP. The report concludes that contradictory enabling statutes and the PIA's inability to manage and control its costs adversely affect the State. Specifically, the report shows that the PIA managers have made different interpretations of the statutes over time resulting in a lack of clear and consistent long-term direction and mission. In addition, neither the PIA nor the California Department of Corrections (CDC) have empirically demonstrated the PIA's success at meeting its stated program purposes. The report also concludes that the Prison Industry Board does not effectively monitor the PIA's operations.

The report notes that the PIA's financial statements are properly audited in accordance with Generally Accepted Accounting Principles, and that these financial statements indicate that the PIA is "profitable." Nevertheless, the report concludes the PIA is not self-supporting because significant subsidies that the PIA receives are not reflected in its financial statements. These subsidies include low rent on CDC facilities, interest on money borrowed to purchase PIA plant and equipment which is paid by the General Fund, and inflated prices on the goods and services other state agencies are obligated to buy. The PIA's policy of setting prices, so as to subsidize ineffective factories results in the true cost of this inmate work program being hidden in the budgets of other state agencies and policymakers being unable to review and debate the costs and benefits of this inmate work program.

Finally, the report concludes that the PIA does not have accurate product cost information and is unable to manage costs on a product basis. The PIA does not follow common industry practices for cost accounting and does not have sufficient cost accounting training or expertise for an organization of its size and complexity.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Public Safety.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as “standards of conduct.”

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date upon which the violation allegedly occurred.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the

county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony of which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of

Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the largest number of Members in the Assembly and two members from the registered political party having the second largest number of Members. Any vacancy on the committee shall not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at

an amount that will enable lobbyists' participation to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Eighth—That Rule 29 is amended to read:

Majority Floor Leader

29. The Majority Floor Leader shall be elected by the caucus of the ~~registered~~ political party having the largest number of Members in the Assembly.

It shall be his or her duty to make those appropriate motions, points of order, or other arrangements that may be necessary to expedite the proceedings of the Assembly and he or she shall be responsible for the presentation of all matters which relate to the order of business, and to the promotion of harmony among the membership.

Ninth—That Rule 30 is amended to read:

30. The Minority Floor Leader shall be elected by the caucus of the ~~registered~~ political party having the second largest number of Members in the Assembly.

Tenth—That Rule 77 is amended to read:

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one legislative day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this ~~paragraph~~ rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Eleventh—That Rule 100 is amended to read:

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally

requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Easter or Summer Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the Easter or Summer Recess as ~~defined~~ *established* by the Joint Rules of the Senate and Assembly.

(4) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the

Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Legislative Intent—Senate Bill No. 848

March 28, 1996

*Honorable Curt Pringle
Speaker of the Assembly
California Assembly
State Capitol
Sacramento, California*

Dear Speaker Pringle: This letter is to clarify legislative intent relative to provisions of Senate Bill 848 (Kopp) pertaining to maximum speed limits on conventional highways.

SB 848 would provide local agencies and the Department of Transportation additional time to conduct engineering and traffic surveys on two-lane undivided highways and multilane highways other than freeways to determine whether a 65 miles-per-hour maximum speed limit is reasonable and safe for such highways.

Nothing in SB 848 removes or diminishes, nor is intended to remove or diminish, the control and responsibility over state highways by the Department of Transportation. The bill provides, and is intended to provide, that cities, counties and the department shall continue to exercise control over highways under their respective jurisdictions, especially with regard to establishing maximum speed limits on such highways.

Sincerely yours,

QUENTIN L. KOPP

COMMUNICATIONS

The following letter of transmittal was presented by the Speaker, and ordered printed in the Journal:

California State Auditor

96101

April 15, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the University of California's (UC) administration of the Tobacco-Related Disease Research Program and the Breast Cancer Research Program. This report concludes that UC could not demonstrate that it allocates grant awards equitably because, consistent with National Institutes of Health practices, UC does not retain documents produced as a part of the grant award process for the programs. In addition, except for finding that UC indeed shredded documents and that a potential conflict of interest for a Breast Cancer Research Council member did exist but is mitigated, we were unable to substantiate other allegations. Finally, UC needs to improve its administrative oversight of the programs.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Higher Education.

The following communication was presented by the Chief Clerk from:

REQUEST FOR UNANIMOUS CONSENT

Assembly Member Hauser was granted unanimous consent that when the Assembly adjourns on this day it do so out of respect to the memory of Gilbert Brent Murray, and that the following statement be printed in the Journal:

* * *

On April 24, 1995, Gil Murray, the President of the California Forestry Association, a dedicated father, a respected professional forester, and a true gentleman in every sense of the word, was senselessly murdered by a faceless killer known only as the Unabomber. The day will be forever etched in my mind not only because of the loss of someone I personally found to be both friendly and professional, but because stakeholders on all sides of the forestry debate lost a man of understanding, a builder of trust, with an unwavering commitment to the productivity and conservation of our forest resources.

As the events of the past few weeks have unfolded with the capture and arrest of Theodore Kaczynski as the alleged Unabomber, the underlying tragedy has become supplanted with a frenzied atmosphere about evidence, manifestos, sightings, and lifestyles. Certainly the staff at CFA is both thrilled and relieved that this

person has been taken into custody, and none-to-soon with his apparent plans to bomb other forestry officials in the Pacific Northwest.

But with this man now in custody, and as we approach the one year anniversary of Gil's senseless murder, it is once again time to reflect upon the human side of this story . . . a father gone, a forester lost. At a time when there was more confrontation than collaboration, Gil reached out to both environmentalist and resource industries to try to find common ground on very acrimonious issues. His many activities included being the driving force in establishing the Fish, Farm, and Forest Communities Forum in California that is trying to find collaborative solutions to the problems of declining salmon populations as well as restoration and enhancement of aquatic habitats. He was also the former Forest Manager for Collins Pine Company in Plumas County, where he managed a forest that has since been recognized by the conservation community for its outstanding management practices. Gil will also be remembered by many for his continuing allegiance and interest in his sons' school and athletic activities, his alma mater UC Berkeley, the United States Marines, snow skiing whether it was for fun or competition, and the consumption of mass quantities of chocolate.

So I ask that we adjourn today in memory of a devoted and loved husband, father, brother and son, admired friend and respected professional forester, Gilbert Brent Murray. In addition I ask that you all join me in further honoring Gil by giving recognition to the fact that people and their environment are inextricably tied together . . . and that solutions that advocate or use violence in any form must be soundly rejected by wearing a green ribbon this Wednesday, April 24, the anniversary of Gil's untimely and truly senseless death.

The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date ~~upon which the violation allegedly occurred~~ *the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first*.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to

investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony of which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The complaint and

the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the largest number of Members in the Assembly and two members from the registered political party having the second largest number of Members. Any vacancy on the committee shall not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of

the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will enable lobbyists' participation to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

~~Eleventh—That~~ *Thirteenth—That* Rule 100 is amended to read:

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on this third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Easter or Summer Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the Easter or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

~~Twelfth—That~~ *Fourteenth—That* Rule 117.7 is added, to read:

Floor Meetings of the Assembly: Firearms

117.7. No person ~~who is subject to Section 171e of the Penal Code~~, *except a peace officer acting within the scope of his or her employment*, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

California State Auditor

95118

April 24, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee and through language in the Supplemental Report of the 1995-96 Budget Act, the Bureau of State Audits presents its audit report concerning the Trade and Commerce Agency (agency). Our review focused on whether the agency's planning efforts, management systems, and organizational structure for carrying out its mission were effective and efficient. This report concludes that more can be done by the agency to measure the return on the State's investment and to oversee its activities. Specifically, the agency needs to better measure the benefits of its programs. In addition, the agency needs to improve its administrative and operational controls in certain areas. The agency also could take advantage of streamlining opportunities available to it. Finally, the agency did not always meet its statutory reporting requirements.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Banking and Finance.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(e) Any person may file with the committee a verified complaint in writing which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on

Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony of which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The complaint and

the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the largest number of Members in the Assembly and two members from the registered political party having the second largest number of Members. Any vacancy on the committee shall not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will enable lobbyists' participation to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, amendments adding a total of not more than 25 words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. If a copy of amendments adding a total of 25 words or less is not placed on the desks of Members, it shall be made available to the author of the bill, and the amendments shall be read in their entirety by the Chief Clerk prior to debate.

Amendments offered from the floor during a bill's second or third reading shall be prepared by, or approved as to form by, the Legislative Counsel.

Twelfth—That Rule 77 is amended to read:

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Thirteenth—That Rule 100 is amended to read:

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall

require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on this third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Easter or Summer Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the Easter or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on

any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Fourteenth—That Rule 117.7 is added, to read:

Meetings of the Assembly: Firearms

117.7. No person, except a peace officer acting within the scope of his or her employment, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

PRAYER

Upon invitation of Speaker pro Tempore Aguiar, the following prayer was offered by Rev. Constantine C. Pappademos, Pastor of Saint Katherine Greek Orthodox Church:

Today has been designated the "National Day of Prayer." The verse from Holy Scripture selected as the theme of this year's observance is taken from the Second Book of Chronicles chapter 7, verse 14. In this verse, God speaks to Solomon in the night, after Solomon had finished building the Temple. The verse reads: "If My people who are called by My name, humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

Having heard these words from the Bible, let us pray:

Almighty God, You are the Creator of all things and we are Your creatures. As the members of this Assembly work to write laws that provide for an orderly society, Lord, they look to You for strength and guidance. Inspire them, Heavenly Father, in all they do. As they pray and seek Your face, hear them, bless them and bless this land. For You are our God and we are Your people. All of us have been shaped by Your hands and it is Your Name we invoke.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Aguiar, Assembly Member McPherson then led the Assembly in the pledge of allegiance to the Flag.

Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the largest number of Members in the Assembly and three members shall be from the political party having the second largest number of Members. Any temporary or permanent vacancy on the committee shall be filled by a member from the same political party within 10 days. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date occurred the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony of which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the

Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public record and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning alleged violations of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and to the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the largest number of Members in the Assembly and two members from the registered political party

having the second largest number of Members. Any vacancy on the committee shall not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will enable lobbyists' participation to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Eighth—That Rule 25 is amended to read:

Assembly Proceedings

25. ~~(a)~~ Accredited press representatives may not be excluded from any public legislative meeting or hearing and may not be prohibited from taking photographs, televising, or recording the committee or house hearings, subject to the following conditions:

Ninth—That Rule 29 is amended to read:

Majority Floor Leader

29. The Majority Floor Leader shall be elected by the caucus of the political party having the largest number of Members in the Assembly.

It shall be his or her duty to make those appropriate motions, points of order, or other arrangements that may be necessary to expedite the proceedings of the Assembly and he or she shall be responsible for the presentation of all matters which relate to the order of business, and to the promotion of harmony among the membership.

Tenth—That Rule 30 is amended to read:

Minority Floor Leader

30. The Minority Floor Leader shall be elected by the caucus of the political party having the second largest number of Members in the Assembly.

Eleventh—That Rule 69 is amended to read:

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, amendments adding a total of not more than 25 words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. If a copy of amendments adding a total of 25 words or less is not placed on the desks of Members, it shall be made available to the author of the bill, and the amendments shall be read in their entirety by the Chief Clerk prior to debate.

Amendments offered from the floor during a bill's second or third reading shall be prepared by, or approved as to form by, the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, must be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk prior to the scheduled start of session on that legislative day.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit and a copy of that analysis shall be distributed to each Member's desk prior to the

beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this subdivision, (4) amendments to a bill made by a motion to amend or a motion to substitute pursuant to Rule 91 as long as the amendments do not add more than a total of 25 words to, or do not delete more than a total of 25 words from the pending amendments, (5) amendments to a bill that is making statutory changes to implement the Budget Bill, or (6) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and shall not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision shall not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) No motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, shall be in order on the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules.

Twelfth—That Rule 77 is amended to read:

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill as been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Thirteenth—That Rule 100 is amended to read:

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Easter or Summer Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the Easter or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Fourteenth—That Rule 117.7 is added, to read:

Meeting of the Assembly: Firearms

117.7. No person, except a peace officer acting within the scope of his or her employment, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

California State Auditor

May 8, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its audit report of the State Treasurer's Office Statement of Securities Accountability as of June 30, 1995.

The Statement of Securities Accountability presents the securities owned by or pledged to the State directly or under investment agreements and securities held for safekeeping. The State Treasurer's Office is responsible for the safekeeping of all securities held in the treasury or other depositories, except for securities owned by or pledged to the University of California, or for securities in other depositories owned by or pledged to the Public Employees' Retirement System, the State Teachers' Retirement System, the Legislators' Retirement System, or Judges' Retirement System. For the Statement of Securities Accountability, the State Treasurer's Office assigns dollar amounts to each security for ease of accountability rather than for purposes of valuing securities to cost or market. The dollar amounts assigned represent the par or face value, the original face value, the original principal value, the current outstanding principal balance, or a nominal value of \$1 per certificate or note. Therefore, the dollar amounts presented in the Statement of Securities Accountability should not be used to determine the value of investments of, or pledged to the State. We found that the statement presents fairly the securities accountability of the State Treasurer's Office as of June 30, 1995.

We conducted this audit to comply with the California Government Code, Section 13299.1.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Budget.

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property which the negotiations may concern and the person with whom the negotiations may take place.

The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed

session, if feasible, or, in any case, not later than one week after the closed session. The memorandum shall be exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with on motion by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or be referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly by an affirmative recorded vote of 41 or more Members shall refer it to some other committee. The action to refer a bill shall not be debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules, it may be acted upon immediately.

Guests of the Assembly

45.5. Nothing in these rules shall prevent the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests.

A. Bills and Resolutions**Bills Defined**

46. (a) Whenever the word "bill" is used in these rules, it includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced which does not contain the signature of its author or coauthor, the same, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z, and as each Member's name is called, the Member may introduce one bill, constitutional amendment, concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules, any Member desiring to introduce bills, constitutional amendments, concurrent and joint resolutions may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, be printed, referred to a standing committee, and a copy placed upon the desk of each Member before final passage.

All bills, constitutional amendments, concurrent and joint resolutions introduced before the standing committees of the Assembly are appointed, shall be referred to committees, references to take effect when the committees shall be appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all the members, including the chairperson, of the committee. If all the members of a committee sign the bill, at the option of the committee chairperson, the committee members' names need not appear as authors in the heading of the printed bill.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 30 bills in the regular session.

(b) This rule shall not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee pursuant to Rule 47.

(c) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly by an affirmative recorded vote of 41 or more Members shall refer it to some other committee. A motion to refer a bill shall not be debatable, except as to the propriety of the motion, and it shall not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill which upon introduction makes no substantive change in or addition to existing law and which would not otherwise affect the ongoing operations of state and local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of their immediate families. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk shall not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Committee on Rules, unless permission for a different hearing time is granted by the Speaker. No committee or subcommittee shall meet during any session of the Assembly, nor shall any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly, without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area which is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bills shall be set for hearing nor shall any notice thereof be published by any Assembly committee or subcommittee until that bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons are directed to adopt a procedure which assures that no committee or subcommittee shall commence the hearing of any bill after the hour of six o'clock p.m. at an afternoon meeting of the committee or subcommittee or after the hour of 11 o'clock p.m. at an evening meeting, but the hearings on a bill commenced prior thereto may be continued thereafter for that period of time that the committee or subcommittee deems necessary.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of special meetings, or in the case of meetings of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly Floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, shall be required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to the provisions of Joint Rule 44 or the Political Reform Act of 1974, contained in Title 9 (commencing with Section 81000) of the Government Code, from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith, and the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and shall have that explanation printed in the appendix to the Journal in the appropriate place, provided that explanation shall not exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time shall a bill be passed out by a committee without a quorum being present.

The provisions of this rule shall not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for assignment by it of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills**Daily File**

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided compliance has been had with Rule 58 in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action Upon Bill on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced and a printed copy of each amended form of the bill have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day and shall not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly shall not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. The Committee on Budget shall set spending limits for each subcommittee prior to subcommittee hearings.

Between the date upon which a committee on conference of the Budget Bill is appointed and the date the Assembly adopts the report of the conference committee, the chairperson of the Committee on Budget shall provide regular written reports to the Members on the progress of the conference committee deliberations.

No Budget Bill shall be considered or acted upon on the floor of the Assembly unless it does all of the following:

- (1) Balances expenditures with anticipated revenues.
- (2) Provides for a reserve of not less than 3 percent of the total of all expenditures for which appropriations are made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years.
- (3) Is based upon no external borrowing by the state other than borrowing that the Budget Bill or another statute would require to be repaid during that fiscal year.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading, whether by committee amendment or amendment from the floor, shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared by, or approved as to form by, the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills must be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee or on the third reading of the bill, of those amendments, or any part thereof, by the Assembly.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding the provisions of any other rule, that bill shall not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments which may have been made to it. A vote on passage of an amended bill when the amended form of the bill is not in print may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the amendment is of such a nature that its effect upon the bill can be readily understood by all the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) No conference committee on any bill, other than the Budget Bill and the budget implementation bills, shall approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change shall be deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term "heard" means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, amendments adding a total of not more than 25 words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. If a copy of amendments adding a total of 25 words or less is not placed on the desks of Members, it shall be made available to the author of the bill, and the amendments shall be read in their entirety by the Chief Clerk prior to debate.

Amendments offered from the floor during a bill's second or third reading shall be prepared by, or approved as to form by, the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, must be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk prior to the scheduled start of session on that legislative day.

~~Upon~~ (2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in

conjunction with the Assembly Floor Analysis Unit and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

As (3) As used in this subdivision, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

This subdivision

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this subdivision, (4) amendments to a bill made by a motion to amend or a motion to substitute pursuant to Rule 91 as long as the amendments do not add more than a total of 25 words to, or ~~only strike out certain words of~~, do not delete more than a total of 25 words from the pending amendments, (5) amendments to a bill that is making statutory changes to implement the Budget Bill, or (6) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

~~(c)~~ (d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and shall not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one ~~legislative~~ calendar day. *This subdivision shall not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.*

~~(d)~~ (e) No motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, shall be in order on the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 contained in Title 9 (commencing with Section 81000) of the Government Code may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send copies of such bills to him or her.

**Electronic Distribution of Bills, Conference
Reports, Amendments, and Analyses**

69.5. Subject to the provisions of subdivision (b) of Section 8 of Article IV of the California Constitution, any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members shall also include electronic distribution of the same information to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill which has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and shall not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill shall be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. Concurrent resolutions and joint resolutions may be amended by a majority vote of the Members present and voting. The ayes and noes shall not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute, or required by the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption it shall be printed in the Assembly Daily Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one legislative calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline as specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the joint rules, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this

rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker, a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 shall not be subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on third reading file, it shall forthwith be placed upon a special file to be known as the inactive file. A bill may also be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by a request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or unfinished business file respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills which shall come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be forthwith ordered by the Speaker to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker shall forthwith put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, to lay on the table, or a question of personal privilege. If an appeal be laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, transgression of rules, or priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or upon the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation shall not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment and

also the hour at which the motion was made and adjournment taken shall be entered in the Journal. A motion to adjourn must be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement shall not occupy more than two minutes and shall not be debatable.

An affirmative recorded vote of 41 or more Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution requires an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it; provided, however, that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table may be adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending; except that the proponent of the matter pending shall be allowed not to exceed five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business must be adopted by an affirmative recorded vote of 54 or more Members. It is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. When a motion is made to postpone indefinitely any bill, motion, or amendment, it opens the main question to debate. Should the motion to postpone indefinitely prevail by an affirmative recorded vote of 41 or more Members, the main question shall not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no "amendment to an amendment" may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend having been decided in the negative shall not again be in order on the same day, or at the same stage of proceeding. A motion to amend by striking out certain words having been decided in the negative, shall not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words; but in no case shall a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and the provisions of Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. No amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, shall be in order when the amendment relates to a different subject than, or is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration shall be admitted as an amendment.

No amendment shall be in order that changes the original number of any bill.

No Member shall be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, shall be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer shall only be debated as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

No bill or resolution shall be withdrawn from committee and placed upon the file, except upon two days' notice thereof and except by an affirmative recorded vote of 41 or more Members.

A motion to continue a motion to withdraw a bill or resolution from committee shall require a majority of those members present and voting.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion shall only be debatable as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution shall not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly any action may be rescinded and its record ordered expunged by an affirmative recorded vote sufficient to take that action originally; except that no action shall be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record shall be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged shall not appear in any form whatsoever, but the record of the proceedings on the motion to rescind and expunge shall appear in the Assembly Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business

file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Easter or Summer Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the Easter or Summer Recess as ~~defined~~ *established* by the Joint Rules of the Senate and Assembly.

(4) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the

same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and shall direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms. Thereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker. No person shall be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Those Members who are found to be absent, and for whom no leaves of absence have been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms or his or her assistants or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment shall be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Assembly. This rule shall not be applicable to an individual bill or resolution.

B. Voting Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly shall, by a majority vote of the Members present and voting, excuse him or her.

No Member shall operate the voting switch of any other Member; except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the presiding Member's voting switch, and any Member so presiding, including the Speaker and the speaker pro Tempore, may also operate the voting switches at the

rostrum, of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal of the Assembly, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and have the explanation printed in the Journal, provided no explanation shall exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule shall not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or horse resolution, and have the explanation printed in the Journal immediately following the vote, provided no explanation shall exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote which had been taken during his or her absence, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote additions.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting shall not be interrupted, except that before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer will instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES**Order in Speaking to Questions**

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

No Member shall speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No Member shall be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question shall be allowed to speak more than five minutes thereon. No Member shall yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case shall not speak to the merits of the motion at that time and shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate thereon.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member shall not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member shall absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member shall obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business or is excused for nonattendance for personal business shall waive his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within one-half hour after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before

he or she is recorded on the roll call for any votes. If a Member does not explain his or her reason for being late, any other Member may raise a point of order and the tardy Member's vote shall not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member shall forthwith be recognized by the Speaker, but shall not discuss a question in that explanation. Those matters of personal privilege yield only to a motion to recess or adjournment.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. After that objection, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement of its substance by the Speaker.

Members at Chief Clerk's Desk

113. No Member or other person shall be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order shall immediately take his or her seat, until the Speaker, without debate, shall have determined whether the Member is in order or not. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member shall be held to answer, or be subject to censure by the Assembly, for language used in debate, if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but shall not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

117. Smoking of tobacco products is prohibited within any building or portion of a building occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. The smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Persons Admitted to Floor of the Assembly

118. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests shall be admitted to the floor of the Assembly during any session of the Assembly. No lobbyist, as defined by Section 82039 of the Government Code, shall, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, shall not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

All guests shall be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber and shall not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative shall be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except Members of the Legislature, shall engage in influencing the passage or defeat of legislation in the Assembly Chamber.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. No motion to disqualify a Member shall be in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended and his or her membership on any committee is suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller shall not draw any warrant payable to that Member except as provided in this rule.

*The Honorable Curt Pringle
Speaker, California State Assembly
State Capitol
Sacramento, California*

Dear Mr. Speaker: As I conclude my legislative duties in Sacramento and depart for the nation's Capitol in Washington, D.C. to be sworn in as the first woman to represent the people of the 37th Congressional District, I leave with a sense of accomplishment and fond memories of my four years of service in the California State Legislature.

As the Assemblywoman representing the 55th Assembly District, my goals were to focus my attention on the need for jobs and economic opportunity, and to develop a legislative package designed to address the dire condition of our urban schools. My legislation on job creation through promotion of the Alameda Corridor and the retention of aircraft production in Southern California will ensure the return of over 700,000 jobs to a region that has been hardest hit by the loss of military contracts. My research on urban schools and the lack of quality education, coupled with multiple hearings across the state, led to the development of a package of urban education reform bills that was hailed by the *Sacramento Bee* "as the most intelligent and serious education reform proposal of the decade." My introduction of over 100 bills during my tenure with the State Legislature will benefit children and families for years to come.

My personal gratification during my years of service in the State Assembly was becoming a grandmother of two beautiful grandchildren: Ayanna Damaris Thomas, born to my daughter Angela and her husband Juan; and Myles Chandler McDonald, born to my son Keith and his wife Lori. My husband Jim and I will be joined by our five children: Valerie, Angela, Sherryll, Chris and Keith, son and daughter in-law, my adopted granddaughter, Diamond, and many family members, constituents and friends as we leave for Washington, D.C. next week for my swearing in to the 104th Congress. I would like to thank all of the legislative staff, the Chief Clerk's office, and the Assembly Sergeants for their unreserved support and dedication; and my colleagues for the opportunity to serve with you. I extend to those who continue to serve in this Legislature the very best as you face the challenging months ahead.

Warm personal regards,

JUANITA MILLENDER-McDONALD
Member of Congress

COMMUNICATIONS

The following communication was presented by the Chief Clerk, and ordered printed in the Journal:

Explanation of Vote—Assembly Bill No. 2984

May 15, 1996

*E. Dotson Wilson
Chief Clerk*

*State Capitol, Room 3196
Sacramento, California*

Dotson—On April 23, 1996, AB 2984 (Margett) relating to a ban on late-term abortions, was re-referred (on a vote *solely* procedural) by the Committee on Public Safety to the Committee on Appropriations, by a vote of 13–0.

Since the criminal sanctions had been deleted from the bill, the Public Safety Committee no longer had jurisdiction over the bill. The vote was a technical necessity to remove the bill from the jurisdiction of the committee.

We voted for this procedural motion at the explicit personal request of Planned Parenthood advocate Kathy Kneier. We never have nor do we in any way support this bill.

Respectfully,

JOHN VASCONCELLOS
DEDE ALPERT
BARBARA LEE

DIANE MARTINEZ
GRACE F. NAPOLITANO

COMMUNICATIONS

The following letters of transmittal were presented by the Speaker, and ordered printed in the Journal:

California State Auditor

96103
May 20, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit

report concerning instructional training agreements between community college districts and state, local, and private agencies. We determined that many community college districts are contracting with these agencies to generate millions of dollars in state funds for providing limited administrative support services. Specifically, of the 71 districts surveyed, 28 reported that they had such agreements and we estimate that these districts generated more than \$11 million in state apportionment funds.

We reviewed agreements that four district had with state, local, and private agencies and found that both the district and the agency received benefits at the State's expense. For example, during fiscal year 1994-95, the four districts received \$3.9 million of state apportionment funds while the agencies earned \$2.6 million. State agencies used their earnings to procure goods and services "off the books," thereby circumventing the State's budget and procurement practices while local and private agencies received cash payments. Furthermore, we noted that three of the four districts did not meet the minimum conditions necessary to qualify the attendance of students in the training courses for state apportionment funds. As a result, these three districts inappropriately received approximately \$6.7 million of state apportionment funds.

Finally, we conclude that although the regulations allow districts to enter into agreements with public and private agencies, the agreements needlessly cost the State millions of dollars in that the districts receive state support for providing services that are primarily administrative rather than instructional in nature.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Higher Education.

California State Auditor

96021
May 21, 1996

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 782, Statutes of 1995, the Bureau of State Audits presents its audit report concerning the State Bar of California's (State Bar) use of membership fees, its discipline process, and its administration and planning practices. This report concludes that the State Bar has not taken advantage of opportunities to reduce fees. For example, if the State Bar improved its recovery of costs from disciplined attorneys, it could significantly reduce the annual membership fee. Further, the State Bar could reduce costs by strengthening its controls over travel expenses and contracting. For example, we found instances where the State Bar could have saved money if it had hired additional staff rather than contracting for services. In addition, although it has improved the discipline process, the State Bar should make additional changes to enhance its effectiveness. Moreover, certain discipline practices may

create the appearance of bias in favor of attorneys. Finally, the State Bar has not developed a complete strategic plan that management can use as a guide to accomplishing the overall mission.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Judiciary.

PRAYER

Upon invitation of Speaker Pringle, the following prayer was offered by Rev. Constantine C. Pappademos, Pastor of Saint Katherine Greek Orthodox Church:

Lord, If we are weak in faith, strengthen us. If we are cold in love, warm our heart so that our love will extend to our neighbor. In You, almighty God, we have sealed our trust. We are poor, but You are rich. We are sinners, but You are the fullness of righteousness. Lord, You are the giver of every good and perfect gift, and we offer this prayer to You.—AMEN.

Assemblyman George House
Attention: Bruce Williams

We are writing in support of AB 3432.

The Tuolumne county School Attendance Review Board is composed of representatives from local school districts and community agencies. The Board meets regularly to combine their expertise and resources on behalf of the students referred to them for truancy. The goal of SARB is to keep students in school and provide them a meaningful education experience.

Over the years, our records indicate that a majority of habitually truant children in Tuolumne County are from families receiving public assistance. Regular school attendance is essential for these children but often is not a priority of their parents. Our current education system provides many assistance programs such as Special Education Resource Assistance, Chapter I, free and reduced rate lunches, etc., which these children often need but can only get if they attend school regularly.

Anything that can be done to assure these children receive an education would be a giant step in welfare reform. Education opens future opportunities for children from any economic background.

We strongly disagree with the statement of the Friends Committee on Legislation that "this bill will do little to stop truancy." Those of us who work with truant children feel that it will serve as a great deterrent to truancy by providing an incentive for children to be in school.

O Lord: Take possession of our hearts, and reign in them forever. Fill our minds with the thought and our imaginations with the picture of Your love. May there be in us, no room for any desire that is contrary to Your will. Cleanse us, we pray, from all that may make us deaf to Your call or slow to obey it.—AMEN.

Legislative Intent—Assembly Bill No. 971

Secretary of State
State of California

May 23, 1996

*Honorable Curt Pringle
Speaker of the Assembly
State Capitol
Sacramento, California*

Dear Mr. Speaker: This letter is to clarify questions that have been raised as to the authors' intent relative to Chapter 12, Statutes of 1994 (AB 971) and its implementation.

AB 971, the Three Strikes and You're Out law includes a provision that ensures that the sentence prescribed in the legislation is appropriate to the crime and the criminal history of the defendant. The law states that the sentencing provision mandated by AB 971 shall be implemented in all cases except as provided for in Penal Code Section 667(f)(2) which allows the prosecuting attorney to move to dismiss or strike a prior felony conviction allegation "in the furtherance of justice . . .".

Assembly Bill 971 provides for the striking of prior convictions in some limited instances, but it only authorizes such action to be initiated by the prosecuting attorney and subsequently ruled on by the judge. AB 971 does not allow judges to strike prior convictions on their own motion, unless there is insufficient evidence to prove the prior conviction.

In two separate places, the legislation requires judges to implement the sentencing provisions of the law without dismissing prior convictions on their own motion. Penal Code Sections 667(c) and 667(f)(1) both speak to this point.

Although judges were denied this unilateral discretion on the striking of prior convictions under AB 971, they still maintain their traditional authority to determine the base sentence for the calculation of second and third strike sentences.

AB 971 is silent regarding the charging of "wobblers" as either felonies or misdemeanors when that designation would affect the implementation of Three Strikes sentencing. Previously existing law is still applicable.

Sincerely,

BILL JONES
Secretary of State
